

DISCIPLER TRAINING INT'L.

Discipleship Training in Cuba — August 2009

God has arranged for a DTI team to travel to Cuba the **first week in August** to conduct training for **400 Cuban pastors** and leaders representing 200 house churches. We will be meeting at a church campground for five days of discipleship training, fellowship and being used by God however He leads.

Pablo, Jacob, Benjamin, & Martha Garcia

This opportunity is a result of Missionary Pastor **Pablo Garcia** (from La Gran Comisión Church, in Ensenada, Mexico) who introduced the DTI materials to **Frank Martinez**, the leader of the Cuba National Evangelical Association. *(Pablo has worked with this group three times in the past two years).*

Frank realized that the DTI curriculum could help the churches develop and requested a DTI team come to Cuba to help equip pastors and leaders in using the DTI materials to disciple believers and to teach others to disciple.

Frank Martinez **The Cuban pastors face many hardships.** Most live in the Eastern side of the island (the poorest region) — and don't have the extra money to attend, though they've been praying for this conference for many months now.

That's where you can help.

Would you consider sponsoring a pastor?

We estimate the cost to be **\$20 per pastor**.

So our goal is \$8000.

Your \$20 will:

- provide transportation *(as pictured at right)*
- feed them for 5 days
- pay for their lodging
- pay for their workshop materials

You can use the tear-away form below to mail your tax-deductible contribution to DTI.

Please Pray for:

- Our **DTI training team**

- Frank Meitz
- Leo Castro (*Iglesia Summit*)
- Adam Barkley
- Pablo, Martha, & Jacob Garcia

Frank Meitz & Pastor Leo Castro

- That they are able to raise the finances for their own expenses (\$1000)
- That they teach the materials in a way (contextualize) that will be relevant in the Cuban culture
- The **paperwork** is approved by the Cuban government
- The **pastors** who will attend (*God knows who they are and their specific needs*)
- The **Cuban Pastor's finances** allowing them to **attend their workshop**
